Simplify your academic life with the Blackboard Learn app

We know you're juggling a lot. Between school, internships, friends, family, extracurriculars, and more, it's hard to stay on top of everything. The Blackboard Learn app is here to help you organize your academic life by keeping you up-to-date on assignments and allowing you to interact with your courses, instructors, and classmates while you're on the go.

With the Blackboard Learn app, you can:

- **Access course content anywhere, anytime:** Whether you're at the gym or traveling for spring break, you can check grades, view announcements, access course content, and complete assignments.
- **Engage with peers and teachers:** Connect with your peers and instructors using features like discussions and organizations.
- **Stay informed in real-time:** Tired of refreshing your browser, waiting for that mid-term grade to get posted? Get real-time push notifications to your phone about new grades, upcoming tests, and past due dates.
- **Prioritize your work:** The activity stream prioritizes events and actions for you, so that you can stay on top of upcoming assignments and deadlines.
