Software Updates Release Notes: Sep 3, 2013

Release Information

Launch Date: September 3, 2013

Requirements: Service Pack (SP) 10 and later

Supported Platforms

The new features will appear on the following platforms:

- Blackboard Learn 9.1 SP 10 (Build: 9.1.100401.0), Cumulative Patch (CP) 13 or higher

- Blackboard Learn 9.1 SP 11 (Build: 9.1.110082.0), CP 12 or higher

- Blackboard Learn 9.1 SP 12 (Build: 9.1.120113.0), CP 4 or higher

- Blackboard Learn 9.1 SP 13 (Build: 9.1.130093.0), CP 1 or higher

Building Block Installation

The Building Block was released through Software Updates on Tuesday, September 3, 2013 at 6PM US Eastern (GMT-4). A new version of Software Updates will appear as a Building Block update in the Software Updates module within 24 hours. If needed, the Building Blocks may also be downloaded.

Resolved Issues

- Too many calls to the Blackboard Cloud causes performance issues in some cases.
