

# Blackboard®

## Teach without limits.

Download the Blackboard Instructor app.

**Great job!**

Lynn Carver, Today at 4:12 PM

Class, great work on the last assignment! Come prepared to discuss on Monday.

# Simplify your academic life with the Blackboard Instructor app, a mobile teaching experience tailored to meet the needs of educators.

With Blackboard Instructor, you can:

## Save time

Blackboard Instructor allows you to send announcements, quickly check your courses and monitor discussions on the go.

## Easily complete tasks

Blackboard Instructor's simple, user-centric design helps you easily access what you're looking for and quickly move through tasks.

## Preview mobile-friendly content

Make sure your course materials, content and assessments are mobile-friendly for students using the Blackboard mobile app.

## Connect with students

Connect with your students right from your phone using Collaborate.\*
