Collaborate Ultra Resolved Issues - June 2016

The following issues from the previous known issues have been resolved.

Resolved Issue	Status
Some icons were not displaying in the Scheduler when launched via LTI using Edge v25.	Fixed
Attempting to open a session or recording link via LTI using IE 11 or Edge 25 prompted user to log in.	Fixed
The correct recording start and end time were not appearing in the Scheduler.	Fixed
New recordings can't be opened from the scheduler in U.S. data centers.	Fixed
Collaborate course room can't be deleted in the original experience of the scheduler.	Fixed
When a Moderator opens the My Recordings page it shows the last months recordings, but if you select a date, but leave the Title field blank you get the message " <code>{displayRecordingsSearchResultsTable}</code> " where the search results should be.	Fixed
