Collaborate Update - Dec 2016

Here's everything you need to know about the **December 2016 (v16.12)** release of Blackboard Collaborate with the Ultra experience.

Available December 3, 2016

Collaborate with the Ultra experience v16.12 is deployed to all data centers on Saturday, December 3.

➔ To learn more, see the [Collaborate Support Bulletin](#) (available in English only).

What's new and improved

The December 2016 release is a **maintenance release**. In this release we focused on resolving issues to continually improve your experience.

What's fixed

In this release we resolved several issues reported by our third party WCAG 2.0 auditors. The most critical ones are noted in the resolved Issues list.
