## Collaborate Ultra Resolved Issues - May 2017

The following issues from the previous known issues have been resolved.

| Resolved Issue   | Status |
|--|--------|
| Locales are not displaying correctly when defined in upper case characters.  | Fixed  |
| Accessibility improvements were made to file sharing. File names were read every time the presenter changed pages.   | Fixed  |
| Recurring sessions were changing how often they occurred if users didn't select every day or every week. For example, if every 3 days was selected it changed to every day after saving. | Fixed  |
