Notice something different about Blackboard Learn?

A Modern, Mobile-Friendly Upgrade for Blackboard Learn

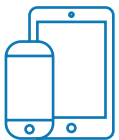

Blackboard Learn has a new, modern look and feel, and an improved mobile experience – making it easier and more enjoyable for you to access your content anytime, anywhere.

Here are some of the improvements you can expect to see:

Modern Look & Feel

With updated colors, fonts, and spacing, enjoy a more modern experience while using Learn.

Consistency Across Devices & Tools

There are many ways to access Learn – your computer, a mobile browser, or one of our apps – now you'll experience more consistency, regardless of how you choose to access Learn.

Improved Mobile Experience

We understand that anywhere, anytime access to Learn is critical. With more features and tools optimized for your mobile browser, expect a better experience using Learn on your phone or tablet.
