

Website View

The screenshot displays the Blackboard website for Happy Valley High School. The top navigation bar includes links for NEWSLETTER, GRADES, CALENDAR, HOME, District Home, Site Manager, My Account, and a search bar. Below this is a secondary navigation bar with links for HOME, ABOUT US, OUR SCHOOL, ADMINISTRATION, ATHLETICS, TEACHERS, ALUMNI, DEPARTMENTS, and CALENDAR. The main content area features a sidebar for 'Sparks, Eric' with a list of links, and a central article titled 'Pat Villa - Space Food' by Pat Villa. The article includes a video player showing a person eating space food, with a play button overlay. Below the video is a caption: 'Space Food: What Astronauts Eat Today'. The article also includes a photo of a NASA space food system and a caption: 'Inside NASA Space Food Systems Laboratory'. The footer contains contact information for Happy Valley High School, including location, phone, fax, and site map, along with a Schoolwires logo and copyright notice.

Add Attachments to these Apps

- Article Library†
- Assignment
- Blog
- Headlines & Features†

Link to a video on the web or upload an MP4 file from your computer.

† This feature is not available for the Classic Article Library and Headlines & Features Apps.

From the Web

- Choose a video from a supported streaming service site such as Vimeo® or YouTube™.
- The attachment is streamed and plays immediately.

From your Computer

- Choose an MP4 file.
- The attachment downloads and then plays. This option works best with small MP4 files.

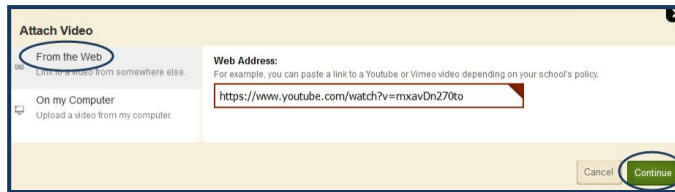

Site Manager View

Here's how you add a video attachment.

1. Add a record to the app.
2. Click **Save**.
3. **Edit** the record.
4. Click the **Attachments** tab and click **Add Video**.
5. Attach a video.

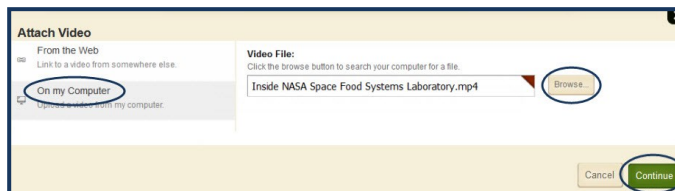

6. Choose *From the Web* and paste the link (URL) to a video hosted by a supported third party streaming service into the Web Address field.

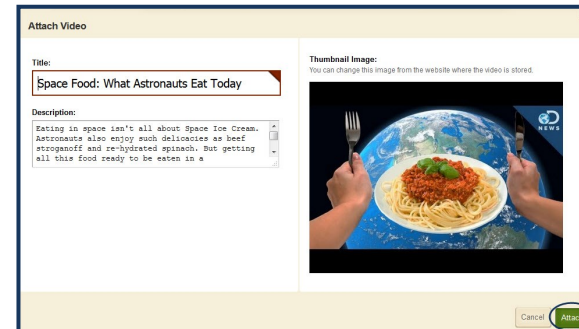

If service not supported, see which ones are.

This video provider isn't supported. [Check our list of supported providers.](#)

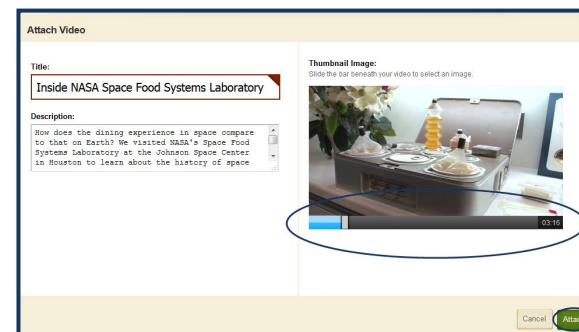

OR, choose *On my Computer* and **Browse** for an MP4 file.

8. Click **Continue**.
9. Using *From the Web*, enter or update the Title and Description for the video and click **Attach**.

10. Using *On my Computer*, complete the Title and Description fields for the video. Slide the *Seek Bar* and choose the frame to serve as the video thumbnail. Click **Attach**.

11. Click **Save**.

Use the **Edit** and **Remove** buttons to manage your attachments.
