New Features in Blackboard Learn 9.1 SP 10

Original Launch Date: November 5, 2012

About Service Pack 10

You spoke. We listened. Service Pack 10 was driven by the feedback of thousands of clients through their participation in our Blackboard Community Programs. The enhanced Blackboard Learn delivers exciting innovations as well as deep improvements to core capabilities, resulting in a simpler teaching and learning experience that engages learners and makes everyone's life easier.

Check out the pages below for details on each of the SP 10 features.

And here is a set of resources that will help you drive awareness and adoption of the new features at your institution: [Communication & Adoption Toolkit](#)

For technical details about this release, see the [SP 10 Release Notes](#).
