Blackboard Learn 9.1 SP 12 Communication and Adoption Toolkit

The linked resources are available in English only.

The Blackboard Learn Communication and Adoption Toolkit is a collection of resources that Blackboard recommends using when upgrading to a new version of Blackboard Learn, specifically Service Pack 12. These tools will help you generate excitement and drive adoption of the new features among your learning community.

Communication Checklist

Building a communication plan from the ground up takes time. That's why we've developed a checklist to help guide your strategy. You can download and customize this checklist to fit your needs, and it's workable for all Service Pack upgrades.
