Blackboard Help

New Features in Blackboard Learn 9.1 SP 14

Original Launch Date: October 23, 2013

Service Pack 14 was driven by the feedback of thousands of clients through their participation in our Blackboard Community Programs. The enhanced Blackboard Learn delivers exciting innovations as well as deep improvements to core capabilities, resulting in a simpler teaching and learning experience that engages learners and makes everyone's life easier.

Check out the following pages for details on each of the SP 14 features.
