

xpLor Update: April 16, 2014

Release Information

Launch Date: April 16, 2014

Requirements

- Blackboard Learn requires Service Pack 10 and later. To learn more, see [Blackboard Learn Requirements](#).
- ANGEL requires 8.0 Service Pack 4 and later. You can request integrating your ANGEL learning environment with xpLor by submitting a ticket through Behind the Blackboard or contacting your ANGEL Engagement Manager. To learn more, see the [xpLor announcement for ANGEL](#).
- Our partners at Netspot, a Premium eLearning Technology Services Partner to education organizations within the Asia Pacific region and an official Moodle Partner, support core Moodle features (version 2.3 or later). To learn more, contact [Netspot](#).
- Blackboard Open LMS' Joule 2 platform. To learn more, see the [Joule Summer 2013 Release Brief](#).

Release Highlights

This version is a maintenance release to address bug fixes. This version is a cloud services deployment, which will appear immediately for all users.

Some of the main highlights of this maintenance release include:

Common Cartridge Export: xpLor now supports the export of resources in Common Cartridge format. Any user who can view a resource can download it as long as the copyright on the resource allows derivatives. The owner can always download the resource. If a user cannot download a resource, they will be given the option to export a link to the resource.

Resolved Issues

XPLR-1443: Profile image not visible on top-level posts to drop boxes and quiz submissions

XPLR-2206: Unable to add contents to subfolders in collections

XPLR-2487: Launching to xpLor from build content menu in Learn does not show error messages

XPLR-2537: Approving a discussion post causes an error

XPLR-2556: Links from history.com not working

XPLR-2560: xplor content item visible when xplor is disabled

Known Issues

Identified known issues are added to the [Known Issues](#) list, and we welcome your feedback on issues that you may encounter. Please submit a ticket to your Client Support representative.
